Guide de la conférence du Global Summit

The banner features the InterSystems logo with 'GLOBAL SUMMIT 2022' below it. The main headline reads 'Just Finalized: Conference Guide'. Below this, it says 'Global Summit, June 20 - 23, Seattle'. A call to action states 'If you haven't already, there's still time to' followed by a large orange 'Register' button. On the right, there is a graphic of a document cover titled 'Welcome to InterSystems Global Summit 2022' with the InterSystems logo and a cityscape illustration.
